ORGANIZATION OF CITY GOVERNMENT.

Tuesday, March 22, 1921.

At ten o'clock in the forenoon of the above date, members-elect of the city council for the municipal year of 1921 and the members from the previous council met for organization at the city council room agreeably to the provisions of the city charter.

The oath of office was administered to the mayor-elect, Hon. Lewis H. Wilkinson, by the retiring Mayor, Hon. John A. Mitchell.

The retiring Mayor administered the oath of office to the following councilmen-elect, viz.:

Ward 1—James R. Irwin.

Ward 2—John X. Trombly.

Ward 3—George E. Stevens.

Ward 4—James A. Payson.

Ward 5—Walter L. Huse.

Ward 6—George A. Collins.

Prayer was then offered by the Rev. James C. Flanders, after which the Mayor delivered his inaugural address.

INAUGURAL ADDRESS

OF

HON. LEWIS H. WILKINSON,

MARCH 22, 1921.

Gentlemen of the Council:

In assuming this office as the fifteenth mayor of the City on the Lakes, the citizens have extended to me the added honor of making me the fourth native son to take the oath of office; I have accepted with a full appreciation of the honor and am not unmindful of its many duties; and you, gentlemen, who have had the same honor conferred upon you by your several wards, I trust are of the same mind. I am glad to note that I have been permitted to sustain most pleasant business relations with each one of you in the past; such relations, it is my wish to perpetuate in our deliberations in this chamber.

We are here this morning as municipal servants and have had placed upon us the responsibility of maintaining good government and I trust that each one of us has a lively interest in the welfare of all our citizens. A majority, including myself, are new to the duties of municipal affairs, and shall, of course, be obliged to lean on you older councilmen for counsel and advice, which I know will be gladly given.

At this time, I shall not tire you with a lot of statistics but respectfully refer you to the report of the city government, which is in the hands of the printer at the present time, but I have taken the time to carefully go through the reports of some of the more important departments and think that they have made a very creditable showing, when you take into consideration the unsettled conditions of the past year.

The Board of Public Works calls our attention to the need of special consideration of the condition of the Main Street bridge, and upon the recommendation of the Street Commissioner have recently posted the bridge as unsafe for loads exceeding six tons in weight ; if it should be the will of you gentlemen, I would suggest, as a new cement bridge would be of a permanent nature, the issuing of a series of notes covering a term of years, to take care of the expense so that it would not have to be a burden on the tax-payers in any one year. In the construction of roads and work of a like nature, I believe that we should pay as we go along ; they recommend a new portable crushing and screening outfit, also a power wagon loader; no doubt this outfit would save us some money if it is your will to lay out much new work, but, gentlemen, let us go slow in that direction and try to keep in good condition what we already have.

The completion of the work on Academy Street, for which money has already been provided for, and the reshaping and resurfacing of Union Avenue from Stark Street to the Black Brook Bridge which must be done to save what already has been done, is, without doubt, an assured fact this summer; and, gentlemen, if you think our finances warrant, we might consider either Bowman Street or Messer Street.

FIRE DEPARTMENT.

This branch of city affairs should have the encouragement of all of us and as a call department, is very efficient.

In our own business affairs, one of the first duties we attend to is the fire insurance, and in city matters I think a good fire department is the very best insurance policy we can carry. Let us look carefully into all recommendations that are made by this department.

The taking down of the old Citizen's Telephone Co. poles will make necessary the rewiring of a good deal of the Fire Alarm System which will mean some little expense; also, in the near future, an appropriation will be necessary for more ap-

paratus in Ward Six and a light machine at the main station to take care of the still alarms and so save the large motor.

Just a word in regard to one other department which has been doing a wonderful work the last year or two with very little expense and perhaps without much encouragement and that is the Public Health Department; and I want every one of you, gentlemen, and every citizen of Laconia to assist by a word of encouragement or to help in other ways, for I know from a personal standpoint of the grand work the nurse is doing in our city.

In conclusion, gentlemen, I wish to say that it will be my ambition as mayor of our city to perform my duties for the best interest of our citizens, regardless, whether or not, my actions are popular and for that reason, I invite the opinions and suggestions of all those who are desirous to see Laconia prosper. I shall feel that I have accomplished my purpose to work for the prosperity of Laconia and its people if I could reduce the already too high taxes which have become so burdensome upon our public, and still maintain our improvements.

Although my record on its face would not appear as good, yet, I would prefer to go out of office at the end of my term, with a lower tax rate without impairing the work of any departments and without impairing our improvements.

Gentlemen, I thank you. Let us proceed with the regular business.

MUNICIPAL REGULATIONS.

For Payment of Bills Against The City.

All bills against the city must be approved by the persons authorizing the charge; and unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payment.

When bills are certified to as above, and left with the City Clerk, not later than Thursday at 12 o'clock M., preceding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the council, will be ready for payment on the following Wednesday, at the office of the City Treasurer.

Meetings of the committee on accounts and claims are held on Friday preceding the last Monday of each month at 7:30 o'clock P. M., at the City Clerk's office.

CITY GOVERNMENT.

Passed and approved July 1, 1921.

LEWIS H. WILKINSON,
Mayor.

In the year of our Lord one thousand nine hundred and twenty-one.

A RESOLUTION authorizing the Mayor to execute a lease from Harry T. Burleigh with the privilege of

purchase, of the Pearl Street Fairgrounds, so-called, for public park and play-ground purposes.

Resolved by the City Council of the City of Laconia, as follows:

That whereas it appears to be for the best interest of the citizens of Laconia to own or occupy the Pearl Street Fair-grounds, so-called, for public park and play-ground purposes, be it hereby resolved that the Mayor in behalf of the City of Laconia be empowered to accept and execute a lease of said premises for the term of one year, at a yearly rental of three hundred and twenty-five dollars plus an amount equal to the taxes assessed on said premises, said rental of three hundred and twenty-five dollars to be paid in quarterly payments of \$82.50 each in advance, beginning January 1, 1922 and the amount of the tax to be paid in a lump sum on December 1, 1922 and for such further period as the said City may lease said premises, together with the privilege of purchasing said tract of land at any time within said period of one year for the price of \$15,000.00; and with a further proviso that the lease may be renewed for a period of nine years and contain the same agreements.

Passed and approved December 27, 1921.

LEWIS H. WILKINSON,
Mayor.

In the year of Our Lord one thousand nine hundred and twenty-one.

AN ORDINANCE in relation to certain portions of Main Street.

Be it ordained by the City Council of the City of Laconia as follows:

Section 1. No team drawn by any horse or other animal, and no automobile, motor truck or other vehicle operating for hire shall stand or remain on Main Street between the crossing of the Boston & Maine Railroad on said street and the junction on Union Avenue and Court Street with said street, over ten minutes between the hours of six o'clock in the forenoon and six o'clock in the afternoon, except when loading or unloading such team, automobile, motor truck or other vehicle.

Sect. 2. Any person violating this ordinance shall be subject to a fine of not exceeding Twenty Dollars.

Sect. 3. This ordinance shall take effect on its passage.

Passed and approved July 25, 1921.

LEWIS H. WILKINSON,

Mayor.

In the year of our Lord one thousand nine hundred and twenty-one.

AN ORDINANCE changing the name of Depot Square, so-called to Veterans Square.

Be it ordained by the City Council of the City of Laconia as follows:

Section 1. That the portion of the public highway running from Pleasant Street easterly to the junction of Main Street and Church Street, which has formerly been known as Depot Square, shall hereafter be known and designated as Veterans Square, in honor of those valiant men who have obeyed their country's call in the hours of need and who have fought, bled and died while defending our Flag in every conflict in which we have been engaged. Passed and approved November 7, 1921.

LEWIS H. WILKINSON,

Mayor.

In the year of our Lord one thousand nine hundred and twenty-one.

AN ORDINANCE changing the name of a certain street in the City of Laconia.

Whereas Edouard Girard son of Pierre E. Girard of thirty-five Dauphine Street, Quebec, Canada, while a resident of this city, enlisted with the United States Army and left Laconia on the 19th day of March, 1918, and went to France with the American Expeditionary Forces and was killed in action in France, and his remains are now in the "American Military Cemetery" at Boijeaux Meuse, France, and whereas said Edouard Girard was one of the few soldiers killed in France who left from said City of Laconia, now therefore for the purpose of perpetuating his memory and his deeds of valor.

Be it ordained by the City Council of the City of Laconia as follows:

That the Street running from Winter Street to Gilford Avenue and now known and named as Harlan Street, is hereby renamed and changed from Harlan to Girard Street.

Passed and approved December 27, 1921.

LEWIS H. WILKINSON,
Mayor.

In the year of our Lord one thousand nine hundred and twenty-two.

A RESOLUTION appropriating money for completion of the Main Street Bridge and certain street improvements for the fiscal year ending February 15, 1922.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of Eight thousand three hundred dollars and eighty-eight cents be and the same is hereby appropriated from any funds not otherwise expended for the following purposes, viz:

Highways and Bridges,	\$2,021.71
Main Street Bridge,	6,279.17
	\$8,300.88

Passed and approved February 15, 1922.

LEWIS H. WILKINSON,
Mayor.

In the year of our Lord one thousand nine hundred and twenty-two.

A RESOLUTION authorizing the issuing of a note as security on trust funds.

Resolved by the City Council of the City of Laconia, as follows:

That the Treasurer of the City of Laconia be and is hereby authorized to make and execute a note to the Trustees of Trust funds for the City of Laconia, for the sum of eighteen thousand six hundred sixty-five (\$18,665.) dollars and twenty-seven (27) cents, said note to be dated February 15, 1922, and be due and payable twelve months from date and bear interest at the rate of four per cent per annum, the said sum being the amount held by said City as Trust Funds and not otherwise secured, the income to be expended in care of various cemetery lots.

Passed and approved February 15, 1922.

LEWIS H. WILKINSON,
Mayor.

In the year of our Lord one thousand nine hundred and twenty-two.

A RESOLUTION authorizing the appointment of members of a joint special committee for the purpose of directing the construction of a proposed new high school building, under provisions of Laws 1897, Chapter 65, Section 2.

Resolved by the City Council of the City of Laconia, as follows :

That Lewis H. Wilkinson, George A. Collins, and Charles A. French all of the City of Laconia, be and are hereby chosen as members of a Joint Special Committee for the purpose of directing the construction of the proposed new high school building to act with a like number of men to be chosen by the School Board of said City of Laconia, according to the provisions of the Law of 1897, Chapter 65, Section 1.

Passed and approved February 15, 1922.

LEWIS H. WILKINSON,
Mayor.

LEASE.

LEASE.

THIS IDENTURE made the 20th day of December, A. D. 1921, between Harry T. Burleigh, of Laconia, in the County of Belknap and State of New Hampshire, and the City of Laconia, a municipal corporation located in the County of Belknap in said State of New Hampshire.

WITNESSETH, That in consideration of the rents and covenants hereinafter reserved and contained, on the part of the City of Laconia to be paid and performed, the said Harry T. Burleigh doth lease to the said City of Laconia, a certain tract of land, situate in said Laconia, bounded and described as follows: Commencing at a point on the southwesterly side of Pearl Street, in said Laconia, at land of one John Morrison; thence running in a southeasterly direction, on said Pearl Street five (5) rods more or less, to a point on other land of said Harry T. Burleigh; thence turning and running in a southwesterly direction more or less on said Burleigh land, eight (8) rods more or less, to a point; thence turning and running in a southeasterly direction, on land of said Harry T. Burleigh, land of Maleska O. Woods, land of R. T. Wilkins, and land of Harry Bloomfield, to land recently purchased by Samuel P. Philbrick, from said Harry T. Burleigh; thence turning and running southwesterly on said Philbrick land eight (8) rods more or less to the corner of said Philbrick land; thence turning and running southeasterly on said Philbrick land to Lindsey Court so-called; thence turning and running southwesterly on said Lindsey Court on land of Addison Cook, land of George Riel, and land of one MacDonald to a point, said point being at the southwesterly corner of the lot herein described; thence turning and running in a northeasterly direction following and binding on land now or formerly owned by Addison Cook and Fred Keasor and sometimes called the Cook and Keasor land, land now

owned by the estate of Leroy Glines, land now owned by one O'Mara, land owned by one Johnson, land owned by one Henry King, and land owned by John Morrison to the point of beginning. Said land herein described, being the tract of land, which is commonly known as, and called "The Pearl Street Grounds," and the bounds being generally shown by fences or walls.

And also in consideration aforesaid, the said Harry T. Burleigh does hereby lease to the said City of Laconia all the right, title and interest which he has in and to the grandstand and bleachers, so-called, or other structures located on said grounds, and does further lease to the said City of Laconia all the privileges and appurtenances belonging to said land.

TO HAVE AND TO HOLD the same to the said City of Laconia for the term of one year from the first day of January, 1922, the said City of Laconia paying therefor yearly during said term to the said Harry T. Burleigh, his heirs and assigns the yearly rent of Three Hundred Twenty-five (325) Dollars, to be paid by equal quarterly payments of Eighty-one and Twenty-five One Hundredths (81.25) Dollars in advance on the first day of January, the first day of April, the first day of July, and the first day of October while this lease shall be in force. And the said City of Laconia further paying on December first of each year, while this lease shall be in force, to said Harry T. Burleigh a sum equal to the taxes assessed upon or against said leased property as of April first preceding.

The said Harry T. Burleigh does further give and grant to the said City of Laconia the right to renew this lease at the expiration of said period of one year for a further period of nine years upon the same terms and conditions as herein set forth.

The said Harry T. Burleigh does further give and grant to the said City of Laconia, the right to purchase the prem-

ises herein described at any time while this lease shall be in force, or while a renewal of this lease as herein provided for shall be in force, for the sum of Fifteen Thousand (15,000) Dollars, and does hereby covenant and agree that he will upon payment to him by said City of Laconia of said sum of Fifteen Thousand (15,000) Dollars, execute and deliver to the said City of Laconia a good and sufficient deed of the property herein leased and herein described.

The said Harry T. Burleigh agrees with the said City of Laconia that the said City of Laconia shall peaceably possess the said premises during the said term without the lawful interruption or eviction of any person whatsoever.

The said City of Laconia agrees that it will pay to the said Harry T. Burleigh the yearly rent of Three Hundred Twenty-five (325) Dollars at the days and times above mentioned; that it will on December first of each year while this lease shall be in force, pay to the said Harry T. Burleigh, a sum equal in amount to all taxes assessed upon or against said property that year; that it will at all times during said term at its own expense maintain and repair all structures upon said premises and all fences, and at the expiration of this lease will see that the same are in as good repair as they now are and will peaceably deliver up to the said Harry T. Burleigh, his heirs and assigns.

IN WITNESS WHEREOF the said Harry T. Burleigh has set his hand and seal, and the said City of Laconia by the Mayor of said City, duly authorized, the day and year aforesaid.

HARRY T. BURLEIGH. [SEAL]

LEGISLATIVE ACTS.
STATE OF NEW HAMPSHIRE.

LEGISLATIVE ACTS.

In the year of our Lord one thousand nine hundred and twenty-one.

AN ACT to amend Section 17 of Chapter 241, Laws of 1893, as amended by Chapter 316, of the Laws of 1917, relating to the City of Laconia.

Be it enacted by the Senate and House of Representatives in General Court convened:

Section 1. Amend section 17, of said chapter as amended by chapter 316, of the Laws of 1917, as follows: Strike out the word "nine," in the last full line, and insert in the place thereof, the word "fifteen," so that said section as amended, shall read as follows:

Sect. 17. The Mayor and Council shall, at their first meeting May 3, 1893, and thereafter annually, on the fourth Tuesday of March, meet for the purpose of taking their respective oaths, and shall elect a City Clerk, who shall be clerk of the City Council and have a salary of fifteen hundred dollars per annum.

Sect. 2. This act shall take effect upon its passage.

FRED A. JONES,
Speaker of the House of Representatives.

LESLIE P. SNOW,
President of the Senate.

Approved April 12, 1921.

ALBERT O. BROWN,
Governor.

In the year of our Lord one thousand nine hundred and twenty-one.

An ACT in amendment of chapter 241, Laws of 1893, and repealing Chapter 297, Laws of 1915, relating to a School District in the City of Laconia.

Be it enacted by the Senate and House of Representatives in General Court convened:

Section 1. Amend Chapter 241, Laws of 1893, by inserting after section 4, the following section to be numbered section 5: Sect. 5. Said city shall constitute one school district, which shall be called the Laconia School District, and the administration of all fiscal and prudential affairs of said School district, not vested in the board of education by this act, shall be exercised by the City Council.

Sect. 2. Amend section 20 of said Chapter 241, by striking out the whole of said section and inserting in place thereof the following section: Sect. 20. The general management and control of the public schools, and of the buildings and property pertaining thereto, shall be vested in a board of education, consisting of six members, two to be elected at each city election by the qualified voters of the city, to serve each for a term of three years and until their successors are elected and qualified. The members of the present board of Education shall continue in office until their respective terms expire, or until their successors are chosen and qualified. They shall have the power, perform all the duties, and be subject to the liabilities pertaining to school boards of towns, except as otherwise provided by this act. All bills, notes and demands made or contracted for school purposes shall be paid from the city treasury. They shall receive such compensation as the City Council shall determine.

Sect. 3. Nominations for members of the board of education may be made by political parties entitled to representation on the city election ballot, which nominations shall be made in the same manner as nominations for Mayor are made: or nominations may be made by petition of at least twenty-five legal voters of the city addressed to the City Clerk, and delivered to him not less than seven days preceding the election, all signatures on such petitions first having been certified by the City

Supervisors, as the genuine signatures of qualified voters of the city. The City Clerk shall cause the names of all persons nominated to be printed on the city election ballot in alphabetical order, in a single column entitled, For members of the Board of Education, Vote for Two, which column shall also provide space for writing in names of persons, not nominated as aforesaid. The two persons receiving the highest number of votes, shall be declared elected. In case of tie vote, except for the highest number, the Board of Education, as it existed the day preceding the election, shall choose from the candidates involved in the tie, by majority vote.

Any vacancies occurring on the Board of Education, shall be filled by the other members of said board, including vacancies caused in 1921, by the expiration of terms of office.

Sect. 4. The provisions of Chapter 43, section 4, Laws of 1895, and any amendments thereto, shall govern the issue of any bonds, issued for school purposes. Chapter 297, Laws of 1915, as amended by Chapter 247, Laws of 1919, is hereby repealed. Said city of Laconia, and said Laconia School district together, shall not incur debts to an amount exceeding five per cent. of the last assessed valuation of said city.

This act shall take effect upon its passage.

FRED A. JONES,
Speaker of the House of Representatives.

JAMES A. TUFTS,
President of the Senate.

Approved April 14, 1921.

ALBERT O. BROWN,
Governor.

DEPARTMENT REPORTS.

TWENTY-FIRST ANNUAL REPORT OF BOARD OF PUBLIC WORKS.

Laconia, N. H., Feb. 5, 1922.

To the Honorable Mayor and City Council:

The twenty-first annual report of the Board of Public Works, together with the detailed reports and recommendations of the City Engineer, Street Commissioner, and Superintendent of Sewers is hereby submitted.

The co-operation of your honorable body, in the granting of appropriations and authorization of work, is gratefully acknowledged and we are enabled to report, that, in addition to the routine and ordinary service of the Street Department, during the year, an unusual amount of special work of a substantial and permanent character, has been accomplished. Viz: The completion of Academy Street project, the improvement of South Main, Elm and Messer Streets, the resurfacing of the Daniel Webster Highway from Stark Street northerly, the new reinforced concrete bridge on Main Street, and the Davis Place bridge alterations.

Several streets have been graded and a considerable length of new sidewalks added, and our system of surface drainage has been extended by the addition of many new drains.

The crushing plant purchased last summer was installed in the Hammond gravel bank, just over the line in Gilford, and although some material was used therefrom, it was not considered feasible to do as much as originally intended on account of the lack of proper handling machinery.

With the addition of a suitable conveyer, as recommended by the Commissioner, in his report, and an additional appropriation, we would be able to surface with gravel some dirt streets, where the traffic is not heavy enough to require a crushed stone surface, but where some new surfacing material is needed to cover the old worn out earth. Some of our streets that suffer so much from surface mud during rainy periods would be benefited by a surface treatment of gravel.

About nine tenths of a mile on the Daniel Webster Highway, between Lake Street and the terminus of the 1920 work near the Bell Cottage, remains to be constructed.

An arrangement has been made whereby Federal and State Funds will now be available to assist in this piece of work, the Federal Government contributing one half the estimated cost of the project.

Under these favorable conditions, the City should not fail to make appropriation to cover its share of the cost.

In the matter of recommendations for special work in the compact part of the city, we are aware of the fact that there are a number of projects upon the waiting list, each backed by a considerable public demand.

While it is manifestly impossible to grant these demands all at once, or even in the order of their appearance, it is our belief that we should continue our municipal policy of the past few years, that of protecting our original investment in improved roads by proper maintenance, and the continuance of construction work to an extent measured by our resources and the capacity of our organization and equipment for carrying on the work during the season.

Sharing the opinion of many, we believe the year 1922 seems likely to be a good year for the reasonable construc-

tion and extension of public works, the cost of materials is somewhat less than formerly and sufficient labor can probably be obtained at a normal rate.

Your attention is especially called to the report of the Street Commissioner on the subject of bridges.

Church Street bridge is noted as in poor condition and there is need, he says either of extensive repairs or new construction. If new construction is decided upon it should be upon lines to conform with the proposed relocation of Church Street as suggested and of course, the widening and construction work upon the street itself should attend or closely follow the construction of the new bridge.

Messer Street bridge is reported as in very poor condition and we recommend the construction of a new bridge this season.

We would also suggest that in addition to the Federal Aid Construction, funds be provided to extend the bituminous macadam on Main Street; that Franklin Square and a section northerly therefrom, on Elm Street be macadamized, an extension of the macadam upon South Main Street southerly, and that Gilford Avenue to Morrill Street be macadamized.

We recommend the following appropriations:

Bridge Repairs,	\$ 800.00
“ “ Church Street,	2,500.00
Cleaning Streets,	4,400.00
Cleaning Catch Basins,	1,500.00
Collection Ashes and Waste,	6,800.00
Cutting Trees, Brush, Grass, etc.,	800.00
Drain Repairs and Maintenance,	1,800.00
Insurance, etc.,	500.00
Maintenance Macadam,	5,500.00
Repairs to Buildings,	300.00
Sanding Sidewalks,	600.00

Recovering Sidewalks,	\$2,000.00	
Sprinkling and Oiling,	4,500.00	
Rebuilding crushing plant,	5,000.00	
Purchase of Equipment and Tools,	2,000.00	
Winter expenses,	7,000.00	
General repairs and maintenance,	14,000.00	\$60,000.00

SPECIAL APPROPRIATIONS.

City engineering,	\$1,500.00	
Sewer maintenance,	2,500.00	\$4,000.00

STATE ROAD.

State aid maintenance,	\$100.00	
Trunk Line maintenance,	3,000.00	
Construction,	7,334.00	\$10,434.00
		<u>\$74,434.00</u>

J. HENRY STORY,
HARRY L. SMITH,
LEW K. PERLEY,

Board of Public Works.

REPORT OF THE STREET, SEWER, AND ENGINEERING DEPARTMENTS.

To the Board of Public Works:

Gentlemen:

I present the following as the report of the Public Works Departments for the year ending Feb. 15, 1922.

ORGANIZATION.

Supt. of Streets, }
" " Sewers, } Charles A. French.
City Engineer, }
1st. Asst. Engineer, Joseph H. Killourhy.
Asst. Engineer, }
Clerk, } John M. Eldredge.
Draughtsman, }
Asst. Engineer, William A. Blanchette. (Part time.)

FOREMEN STREET DEPARTMENT.

Division Number One, John J. McDonough.
" " Two, William J. Greenlay.
" " Three, Charles H. Swain. (Part time.)

The amount expended for the year 1921-22 is \$125,234.88 and the same is itemized under the following headings:

1. Academy Street Improvement,	\$11,732.69
2. Bay St., Winnisquam Ave., Grading,	230.63
3. Crushing Plant (New),	5,310.63

4. Bridges,		
Davis Place,	\$1,641.82	
Main Street,	21,279.17	
Weirs Channel,	152.13	
Miscellaneous,	378.97	\$23,452.09
5. Cleaning Streets,		4,573.02
6. Cleaning Catch Basins,		1,539.96
7. Collection Ashes & Waste,		6,869.53
8. Cutting Trees, Brush, Grass, etc.,		1,019.63
9. Drains,		
Appleton Street,	1,671.86	
Clinton Street,	27.61	
Endicott Street Culvert,	127.74	
Fairmount Street,	110.50	
Messer Street,	63.87	
No. Main Street & Oak Street,	2,318.38	
Opechee Park,	1,571.80	
School Street,	185.13	
Stark Street,	239.89	
Union Avenue at Black Brook,	72.18	
Winnisquam Avenue,	229.37	
Miscellaneous,	709.08	7,327.41
10. Elm Street Improvement,		8,030.01
11. Maintenance Macadam,		4,909.48
12. Meadow Street Grading,		203.96
13. Messer Street Improvement,		4,317.23
14. Opechee Street Grading,		772.38
15. Pine Street Extension,		275.97
16. Sidewalks,		
Adams Street,	345.31	
Academy Square,	586.03	
Arch Street,	395.10	
Court Street at Garage,	315.54	
Franklin Street,	155.92	
Recovering,	1,968.27	
Sanding,	713.04	
Union Avenue at Black Brook,	79.36	4,558.57

17. South Main Street Improvement,	\$7,204.82
18. State Road:	
Construction,	
Maintenance,	10,219.01
19. Street Sprinkling and Oiling,	4,290.26
20. Winter Expenses,	7,502.89
21. General Repairs and Maintenance,	10,894.71
Total,	<u>\$125,234.88</u>

ACADEMY STREET IMPROVEMENT.

This project commenced in 1920 was completed.

The work consisted of the installation of concrete curbing, drain repairs with new catch basins and the laying of 6,911 sq. yds. of asphalt macadam.

The sidewalks were regraded and concreted where necessary and the lawns between sidewalk and curb graded and seeded.

BAY STREET AND WINNISQUAM AVE.

Surplus material taken from both South Main and Academy Streets was used to grade these streets together with a considerable amount of borrowed material. Cross drains and catch basins were installed where needed. As no special appropriation was made for this work it was paid for out of balances in the hands of the Board.

BRIDGES.

The following table gives in a general way the condition of all city bridges of a span of 10 ft. or more.

No.	Name	Span	Material	Condition	Remarks
1	Academy St.	15.5 ft.	Concrete	Excellent	Durkee Brook
2	Church St.	150.0 "	Wood	Poor	Winn. River
3	Court St.	15.0 "	Concrete	Excellent	Durkee Brook
4	Davis Place	23.0 "	"	"	Jewett Brook
5	Elm St.	232.0 "	"	"	Winn. River
6	Fair St.	201.0 "	Wood	Fair	"
7	Garfield St.	10.0 "	Concrete	Excellent	Durkee Brook
8	Gold St.	145.0 "	Steel, Wood	Good	Winn. River (Foot Bridge)
9	Highland St.	25.0 "	Concrete	Excellent	Jewett Brook
10	Main St.	72.0 "	"	"	Winn. River
11	Messer St.	100.0 "	Wood	Very Poor	"
12	Mill St., No. 1	36.0 "	Concrete	Excellent	Power Canal
13	Mill St., No. 2	128.0 "	Wood	Poor	Winn. River
14	Union Av., No. 1	19.0 "	Concrete	Excellent	Jewett Brook
15	Union Av., No. 2	13.0 "	"	"	Black Brook
16	Weirs	100.0 "	Steel	Good	Winn. River

An appropriation of \$1,500 was made to widen the waterway at Davis Place bridge to conform to the channel improvements made by Scott & Williams above this bridge. The westerly abutment of the existing bridge was removed and a pier built in its place. The abutment was rebuilt 5.5 ft. from the pier and an 8" concrete slab extension carried from pier to new abutment.

A concrete cut off wall and apron was built at the upper end of the bridge in the brook bottom to prevent undermining pier or abutments.

The wooden bridge over the river at Main Street, built in 1901, having become unsafe, the city council authorized the construction of a reinforced concrete bridge in accordance with a plan submitted by the City Engineer. This work was done by this department in a period of three months and at a cost of \$21,279.17 complete, including sidewalks and street pavement. The dimensions of this structure are span 72 feet, width 73 feet.

A reinforced concrete girder bridge with one center pier, designed to carry any probable load, was built. The old dry stone masonry abutments were faced with rein-

forced concrete and the pier was founded on ledge, boulders and coarse gravel well below the river bottom.

The street and sidewalk pavement, of bituminous concrete, rests on a gravel bed above the bridge deck, and the car track is surrounded by a cement concrete pavement. Traffic was maintained at all times as half of the bridge was built at a time. Difficulty in obtaining a suitable foundation for a part of the pier was encountered by reason of a pocket of unstable material found under the easterly third of the pier. This material had to be removed for a depth of six feet below the river bottom. The high velocity of the river current at the bridge site hindered under water work and the placing of centering and made the work more costly.

The end posts of the northerly truss of the Weirs Channel bridge became weakened by rust and were repaired by riveting on new cover plates at the damaged sections.

The Church Street bridge rebuilt of wood in 1909 is again in poor condition, especially the deck, and extensive repairs must be made very soon, or a new bridge built. If a new bridge is built it should be widened in line with the proposed relocation of Church Street and the latter project, which has been hanging fire several years, carried out.

The Messer Street bridge is in a very poor condition and I recommend that funds be provided at once to build a new bridge here.

SURFACE WATER DRAINS.

A drain was built on Appleton Street from Sheridan Street, under the B. & M. R. R. to Lake Paugus to relieve the liability of dangerous washouts at this point.

The Fairmount Street drain was extended to take the overflow from the Elm Street drain which was in times of heavy rains taxed beyond its capacity.

A drain was built from the existing drain at the junction of Tremont and North Main Streets, along North Main Street to Oak Street, thence to McGrath Street and a drain through Opechee Park to take the place of an inadequate drain in the Park. The deed of the Park property obligating the city to build and maintain such a drain.

Drains were built on School Street near the junction with Franklin Street, on Stark Street, on Union Ave., at Black Brook bridge and on Winnesquam Ave. in connection with the filling of that street.

I have called attention in previous reports to the great necessity of the Gilbert Brook improvement with the branch drain in Jolliet, Baldwin, Lovell and Merrimac Streets, also the need of drains on Walker Street and Spring Street. In addition wish to recommend drain on Cole Street, on Academy Street, near Beech Street, and on Endicott Street, at the Weirs from the State Road to the junction with White Oak Road.

ELM ST. IMPROVEMENT.

The Council appropriated \$5,000 for laying a bituminous macadam on Elm Street, north of School Street, and afterward authorized the extension of this pavement to Jefferson Street. The total cost of this work was \$8,030.01 or \$1.56 per sq. yd. of pavement including grading and drain changes.

MAINTENANCE OF BITUMINOUS MACADAM.

The cost of maintaining 77,315 sq. yds. of bituminous macadam built previous to 1921, exclusive of state roads was \$4,909.48 or 6.4 cents per sq. yd.

This cost is larger than the average of previous years as was expected, due to the weather conditions prevailing during the winter and spring 1920-21.

MESSER ST. IMPROVEMENT.

Messer Street, from Church Street, to the B. & M. R. R. was improved by the installation of concrete curbing, additional drains and the laying of 2,675 sq. yds. of bituminous macadam pavement. The total cost of this project was \$4,317.23 or \$1.61 per sq. yd. of pavement.

OPECHEE ST. GRADING.

The surplus material removed from Messer Street was used to grade Opechee Street together with a large amount of borrowed material required to bring this street to the established grade.

As no funds were appropriated for this work it was paid for out of unexpended balances.

SIDEWALKS.

Sidewalks were built as follows:—Adams Street, crushed stone; Academy Square, tar concrete surface; Arch Street, concrete curb, tar concrete surface; Court Street, at garage, concrete curb, granolithic surface. 2,377 sq. yds. of old tar concrete walk was repaired and resurfaced. Many thousand feet of sidewalk was graded but not surfaced except in some cases where a thin sprinkling of stone dust was applied.

SOUTH MAIN ST. IMPROVEMENT.

\$5,000 was appropriated by the council to improve So. Main Street from the southern terminus of the pavement to junction with Province and Garfield Streets and an additional expenditure was authorized as the amount appropriated was inadequate for the work desired. This work consisted of the installation of concrete curbing at street intersections, the extension of drains, new catch basins, regrading and recovering sidewalks, grading and seeding lawns between sidewalk and curb and the laying of 3,489 sq. yds. of asphalt macadam.

The total cost of this work was \$7,204.82 or \$2.07 per sq. yd. of pavement laid.

STATE ROAD CONSTRUCTION AND MAINTENANCE.

As there were no funds available for state road construction either from the State or Federal Government no work was done under this head.

There was expended for maintenance \$10,219.01, one-half of which was furnished by the state.

This sum covered the usual maintenance work such as dragging, patching, oiling, etc., and provided funds for resurfacing 6,523 sq. yds. of water bound macadam between Stark Street and the Lake Shore Road at a cost of \$6,430.72 or 99 cents per sq. yd.

As funds are now available from the State and Federal Government, the city should appropriate a sufficient amount to surface the nine tenths of a mile remaining on the Weirs Boulevard so called.

STREET SPRINKLING AND OILING.

Some improvements were made to our sprinkling truck which made it much easier to operate and it did satisfactory service throughout the year as a water sprinkler. 28,450 gals. of road oil were applied as a dust layer.

GENERAL.

A new crushing plant was bought and set up in a gravel bank off Gilford Ave. To increase the output of this plant it is necessary to add some additional handling machinery and I recommend the purchase of a belt conveyor.

The crushing plant at Union Ave., established in 1899 is in need of extensive repairs and replacements. This plant was a model in its day and reflects great credit on Mr. Wm. Nelson the City Engineer who installed it and

originated the idea of electrical motor drive. A large quantity of stone was crushed here last season and it is still a vital necessity to this department. In its present location it is a nuisance to the neighborhood and I recommend that it be moved back on the lot it now occupies, that new machinery be bought to replace worn out parts and that a suitable road be built to the new site. It is estimated that the cost of these improvements would be \$5,000.

A pair of horses were purchased to take the place of a pair of old horses. One of the old horses was killed as it was getting past usefulness and the other is kept for light work.

A large amount of work was accomplished the past season and at a considerably reduced cost. Supplies in general were somewhat cheaper and wages were reduced about 10 per cent but the greatest gain was in the amount of work delivered for a days pay and the men of this department are to be congratulated for the showing they made the past season.

I would suggest that a change be made in the method of making appropriations for the Public Works Department. In the past it has been customary for the Council to make a large number of specific appropriations, for instance there were 24 appropriations turned over to this department in 1921 and as it is manifestly ridiculous to have 24 separate payrolls and to buy supplies for 24 separate jobs it has been the custom to carry on the work under one heading viz. Highways and Bridges and transfer the specific appropriations to this account. This makes the treasurers report look as if about twice as much money had been expended as is actually the case and makes the reports confusing to any one not familiar with the situation.

I would recommend that the Council make a lump sum appropriation for the use of this department, but that the

sum be itemized to cover the various jobs that the Council desires to have done. This procedure would accomplish the purposes of the Council and avoid the numerous transfers now made, which must pass through the city treasurer's hands, and do away with much unnecessary bookkeeping.

SEWERS.

No sewers were constructed the past season although there are several petitions for sewer extensions waiting favorable action by the Council.

The usual amount of maintenance work was done on the sewer system and it is in excellent condition and functioning properly.

The sewer system at the Weirs village should be taken over by the city and put in better condition than it is at present as a measure of public health.

PLUMBING.

This department issued 137 permits for plumbing work during the year and all work was given the required test.

Method of disposal, by dilution, discharged into Lake Winnisquam.

ENGINEERING.

This department has been very busy for the past year, making surveys, establishing lines and grades, making estimates for proposed construction work, designs and supervision of reinforced concrete bridges at Main Street, and Davis Place, searching and copying records of street layouts in Belmont, Gilmanton and Meredith town records, and various other activities.

The appropriation made for this department is not nearly enough to cover the requirements and the balance is made up by a charge against the various construction jobs.

Respectfully submitted,

CHAS. A. FRENCH,

City Engineer, Supt. of Streets, Supt. of Sewers.

REPORT OF PARK COMMISSION.

Laconia, N. H., Feb. 5, 1922.

To the Mayor and Council of the City of Laconia:

GENTLEMEN:—The report of the Park Commission for 1921 is herewith presented for your consideration, with the hope that it will also command the attention of all citizens interested in the permanent development of our park system, which means the beautifying of the city of Laconia.

Our report, as heretofore, deals largely with the playgrounds rather than park improvements; this is necessary on account of there being an appropriation for the former, but not for the latter. This should not be so, on the contrary a consistent and regular appropriation should be made each year, until Opeeche Park has been put in proper condition. A plan of the park has been made, the drain laid, and everything in readiness for the further continuance of the improvements.

Lakeport has nothing to ask in this particular, as through the wisdom of the generous donor, Leavitt Park has a sufficient income to provide for its completion and upkeep. Each year sees additions made, in the line of permanency, and the park is in condition now, so that it is possible to hold lawn fetes, band concerts and gatherings of like character, on the south end of the grounds.

The last work of the Commission this year, was the laying a foundation for a tennis court on the east side of the park; this was done as a result of the experience of the

playground director last season, finding that one court was entirely inadequate to accommodate the children and grown ups who were desirous of playing.

The playgrounds at both ends of the city were opened Monday, June, 27, and closed, Saturday, September, 3rd. after a most successful season. This was especially true of Leavitt playground, as through the enthusiasm of the directors, and the co-operation of the women of Ward 6, the playground had a session of ten weeks with a woman assistant for the afternoons, the first time since the playground was opened that this has been possible. To the mothers' department of the Church and Community Club, credit is due for the latter, for it was through its initiative and the guarantee of the salary, that an assistant was secured.

The director, Mr. Harold S. Fits, a junior at Dartmouth had initiative, enthusiasm, and an infinite capacity for hard work that produced results. He received the cordial co-operation of his assistants, Miss Lillian Sanborn and Miss Bernice Hurley, (the former, on account of illness in the family, leaving at the end of six weeks.)

The salary of Mr. Fits, was paid from the \$700.00 appropriation of the city, for a term of eight weeks, the remaining salary and other expenses being met by the proceeds from two successful lawn fetes and band concerts held on the grounds. The interest shown in these affairs culminated at the close of the season in the organization of the Leavitt Park Playground Association with Mr. Charles H. Perkins, President, whose object is to aid in the work and development of the playground as occasion demands.

The attendance at the playground for the season was 4072 (1637 girls and 2435 boys) with a daily average of 68 (40 boys and 28 girls).

The recommendations for another year by Mr. Fits, includes increased salaries for both director and assistants, a

diving raft, set of children's swings, tennis racquets, a ball field on the west side of the park, and material for basketry for the girls. He recommends that one big carnival be held during the summer and in anticipation of that, that a permanent electric light pole be placed in the park.

At the Opeeche Park grounds, Mr. Ivan J. Martin and Miss Beatrice Clark, both serving their second season there, were able to pick up the work without loss of time, and continued it successfully to the close. That with an average daily attendance, of 234 (121 boys and 113 girls) there was plenty of work to do, no one will doubt. The attendance for the season was 14,097 (7317 boys and 6780 girls). Two carnivals, band concerts and a pageant, were part of the social life of the season.

The especial recommendations for the next season, were the addition of backstops, and a general overhauling of the tennis court, and a plea for the development of the park as a whole.

In view of the situation as set forth in the preceding survey, your Commission feel that in view of the rapid extension of our park system, that something of a permanent nature should be accomplished in utilizing to its best advantage some of our parks for which practically no appropriation has been made. We therefor offer for the consideration of your Honorable Body the following recommendations:

First: The appropriation which has been made in past years for the expense of running the playgrounds at Opeechee and Leavitt Parks has been increased to the extent of about an equal amount by entertainments and private subscriptions in order to meet the expenses of the paid instructors. In the opinion of your Commission, this is not right, and in order that the expenses of the playgrounds at Opeechee and Leavitt Parks may be paid fully and the money divided between the two parks, either on a basis of attend-

ance or taxable property adjacent thereto, we recommend that the sum of \$1,400.00 be appropriated for this purpose.

Second: That some appropriation be made for the recently acquired playground on South Main Street so that the smaller children who are unable to go to Opechee Park may be suitably taken care of.

Third: Some more suitable provision than now exists should be made for bath-houses at Opechee Park. At present, two small bath-houses and the large room under the grandstand are all that are available and it is fair to presume that the number using the bathing beach last year was more than the attendance for the ten weeks at the playgrounds, or more than 15,000 people. A preliminary estimate of proper bath-houses would be about \$50.00 per apartment. On this basis, the number to be built would be a matter of judgment. Your Commission estimate that ten apartments for boys and ten for girls might be adequate which would mean an expenditure of about \$1,000.00. This amount would be increased or decreased according to style or plan adopted.

Fourth: In previous years, we have recommended to your Honorable Body that some appropriation be made toward the improvement of Opechee Park according to plans adopted by the City Council some time ago. Last year, the drain which was the first effort along these lines was completed and in consultation with your City Engineer as to the next step, he informs us that the proper beginning would be to complete the grading of the oval inside the race track. This section contains an area of 42,000 square yards or 8 7-10 acres. In order to grade this properly, it would be necessary to remove the top soil that it might be used after the grading has been completed. He estimates that it would require 9,000 cubic yards of grading. The top soil would then have to be replaced and the entire area finished and seeded. The cost of completing this section would be \$3,883.00.

Your Commission realize that you must consider the appropriations for all the Departments of the City as a whole, giving to each what in your judgment seems wise and necessary and in view of these facts, we earnestly recommend the appropriation of such sums for our City Parks as you may deem wise and proper and for the best interest of the tax payers of the City of Laconia.

Respectfully submitted,

CHARLES H. PERKINS,
ALFRED C. WYATT,
CORA F. HAYWARD,
ALICE S. HARRIMAN,
FRED L. ROLLINS,

Park Commission.

FIRE DEPARTMENT.

REPORT OF THE CHIEF.

His Honor, the Mayor and Members of the Council:

During the past year, the Department responded to 40 Box alarms and 82 still alarms. We have made extensive repairs at the fire station in ward 6, and on the buildings at the Central Fire Station.

We have relaid new wires on Union Ave., and built over the lines of our fire alarm system, changing wires from the old telephone poles to the new poles of the Gas & Electric Co. This change insures more efficient service to our fire alarm system.

Our fire alarm system is the main part of our apparatus, that we are dependent on, at all times, in summoning volunteers throughout the city.

The repeater has been in service thirty years, and has worn its usefulness, and must be replaced by a more modern repeater of four circuits, which will be more efficient and more reliable in calling volunteer firemen to respond to fires. I hope our City Council will take prompt action in installing new apparatus this coming year.

Owing to the long distance between hydrants on our streets, extra hose is required to reach buildings, therefore, I would recommend the purchase of two thousand feet of hose this year; 500 feet for the Weirs Station, 500 feet for Lakeport and 1000 feet for the Central Fire Station.

Last year, the City Council voted \$5,000.00 for a Fire Truck for Lakeport. The board of Engineers advised them to postpone the appropriation until this year and purchase a pumping engine and hose car, or in other words a triple combination, the same type as the one at the Central Station. They also recommended that the ladder truck be put on a chassis, so that it could respond to all the fires in the different wards of the city. This must be done at once or it will be necessary to buy two new pairs of horses.

If this apparatus were installed, it would put our city on a safe line of fire protection, and insure safety to all our citizens from the danger of a conflagration.

Respectfully,

ARTHUR W. SPRING,

Chief of the Fire Department.

88 Fairmount street, corner Washington street.

SIGNALS.

1 — Test signal which is struck every day at 12.30.

2 — Given after an alarm denotes "fire out."

Three blasts of the whistle or strokes of the bell at 8.00 A. M., and 1.00 P. M., dismiss grades one, two, three, and four.

Six blasts, separated into threes, dismiss all grades, including high school.

4 — Companies not answering first alarm, dismissed.

5 — Second alarm.

7 — Third alarm.

15 — Militia call to armory.

DIRECTIONS FOR GIVING AN ALARM.

To open the box break the glass and turn the key. In each box there is a small bell called a telltale, designated expressly for the purpose of informing you whether an alarm is being transmitted the instant you open the door.

Open the box and if this bell is not heard, pull down the hook the whole length of the slot once only and let go. But if this bell should be heard, it would indicate

that another box had been pulled and it would be useless to attempt to pull another until the one already pulled had performed its mission. Unless your presence is most urgently required at the scene of the fire, remain at the box to direct the department.

Never open the box or touch anything pertaining to it except in case of fire.

Never give an alarm for a fire seen at a distance.

Be reasonably sure that there is a fire before giving an alarm.

Never give an alarm for a chimney fire unless there is imminent danger of the building catching.

The fire alarm system is under the direction of the Chief Engineer.

REPORT OF TREE WARDEN.

To His Honor, Mayor, and City Council:

During the past year the City expended \$500.00 trimming decayed branches from shade trees thruout the City.

Nine permits were granted for the removal of dead trees, and there are several more that should be taken down this coming year.

I would also recommend that the trees that have already been and those that are going to be taken down, be replaced by young Maple trees, and \$1,000.00 should be appropriated this coming year.

ARTHUR W. SPRING,

Tree Warden.

LACONIA PUBLIC LIBRARY.

REPORT OF THE TRUSTEES.

To the Honorable Mayor and City Council:

The undersigned trustees of the Laconia Public Library herewith transmit to you, the annual report of Arthur W. Dinsmoor, Treasurer; covering the financial condition of the library for the year ending February 1, 1922. Your trustees regret that the funds available for the purchase of readable books, such as the public demand is not sufficient to procure but a very small number of such books and we solicit your careful consideration of the need of a larger appropriation. We recommend that a sum for the coming year should not be less than five thousand dollars.

A committee of the trustees has been chosen to make selection of all such books as available funds will enable the trustees to buy and we heartily ask of the public who desire to avail themselves of the privileges of the Library that they present to any member of the board of trustees a list of such books as they may desire to read and they will welcome any and all suggestions that may enure to the benefit of the library.

WILLIAM F. KNIGHT,
CHARLES L. PULSIFER,
FRANK P. WEBSTER,
STANTON OWEN,
FREDERICK W. FOWLER,
JOHN S. GILMAN,

Respectfully submitted,

A. W. DINSMOOR,

Treasurer.

REPORT OF CITY SOLICITOR.

To the Honorable Mayor and Council:

I have the honor to submit my report as City Solicitor of Laconia. During the past year, the City has been quite free from any active litigation. The equity suit of Edwin P. Thompson still remains on the docket of the Superior Court but is expected to be adjusted at the coming term; likewise the equity case of G. H. Tilton & Son against the city. During the past year, three new equity suits have been brought, namely, Laconia National Bank vs. City of Laconia and First Unitarian Society vs. City of Laconia, which cases grow out of certain land damage claims, together with the equity suit of Rebecca Houle vs. City of Laconia likewise relating to land damage claimed by the straightening of South Main Street. The last three mentioned have been referred to the County Commissioners. During the past year, I have attended to the various legal services demanded by the city and have furnished legal opinions to the various city departments and have made all necessary legal papers in relation to the same. Several important ordinances and resolutions have been drawn. All matters which have been submitted to the Law Department have received careful consideration and attention.

Respectfully submitted,

THEO S. JEWETT,

City Solicitor.

POLICE DEPARTMENT.

Report of Police Commission.

To the Honorable Mayor and City Council:

We respectfully submit herewith the report of the
City Marshal for the year ending Jan. 31, 1922.

Respectfully submitted,

EARL FLANDERS,

Clerk.

OVERSEERS OF THE POOR.

To the Honorable Mayor and Members of the City Council:

We respectfully submit our report as overseers of the poor for the year ending Feb. 15, 1922.

All applications for aid to this department have been carefully investigated and where necessity demanded assistance has been rendered. With the present conditions of unemployment this department has received more applications for assistance than in the previous year and we have been obliged to overdraw our appropriations and we respectfully recommend that the sum of \$5,000 be appropriated for support of the poor for the coming year.

Respectfully submitted,

WILLIAM F. SANBORN,

for Wards 2, 3, 4 and 5.

OSCAR A. FLANDERS,

for Wards 1 and 6.

W. H. TRUE,

Laconia Board of Health.

W. H. TRUE, M. D.,

Secretary.

LACONIA HOSPITAL ASSOCIATION.

To the Honorable Mayor and Members of the City Council of Laconia:

In submitting a report of the financial condition and pressing needs of the Laconia Hospital the Trustees want to express to you their deep sense of appreciation for the uniform courtesy and interest manifest by your honorable body towards this institution that we are striving to maintain and make one of the best in our state.

The report of the treasurer will show the receipts and expenditures for the past year to January 1st, 1922 and in addition to this a large sum has been contributed through the effort of the Woman's Hospital Aid Association.

The effort that is being made for the extension and improvement of the hospital has made a good beginning and must be carried to a successful end in order that this institution may carry forward its work and fulfill the grand mission in caring for the many who need its services. With all the combined effort of its many friends it is not self supporting and cannot be until it may come into possession of larger endowments. We do not need to ask for your continued interest, of that we are sure, but in making up the appropriations for the coming year it is hoped you will find a way to make a reasonable increase.

WILLIAM F. KNIGHT, *Sec.*,

Laconia Hospital Association.

AUDITOR'S REPORT.

Laconia, N. H., March 20, 1922.

To the Honorable Mayor and City Council of Laconia:

I have examined the books and accounts of the City Clerk, City Treasurer, Board of Public Works, Collector of Taxes, Treasurer of the Public Library, and Trustees of Trust Funds, and find them correctly cast and properly vouched.

I desire to express my appreciation for all courtesies shown me and the ready assistance on the part of all your officials.

Respectfully submitted,

N. JOY HARRIMAN,

City Auditor.
